SUMMARY

Frontend Developer skilled in **React.js, Tailwind CSS, and Firebase**, with experience in building **responsive, SEO-optimized web applications** and **custom admin panels**. Strong in **UI/UX design, performance optimization, and scalable web solutions**.

EXPERIENCE

React Js Developer

Ambey Nexus

March 2024 - Present, Nangal Dam

- **Developed and maintained** the official company website using React, HTML, CSS, and JavaScript, with optimized hosting and fast load speeds.
- **Built and deployed custom web solutions** including training portals, online forms, and an advanced admin panel for user management and payment tracking.
- **Managed IT infrastructure and security**, handling network troubleshooting, system updates, and reliable domain/hosting configurations.
- **Collaborated with the digital marketing team** to integrate SEO best practices and analytics, boosting visibility and user engagement.

Front End Developer(React JS)

Headway Vision

January 2023 - February 2024, Mohali

- Designed **visually appealing UI/UX** using Figma and implemented responsive layouts with CSS3, SCSS, and React.
- Developed **cross-device compatible interfaces**, ensuring seamless performance across various screen sizes.
- Built and integrated **intuitive booking systems** (healthcare-focused) by connecting frontend and backend components for smooth session scheduling.

PROJECT

Ambey Nexus (Web Portal)

Ambey Nexus • ambeynexus.com • August 2024 - October 2024

- Developed and deployed a fully responsive and SEO-optimized web portal for Ambey Nexus, showcasing digital services and training programs.
- Built reusable React components for service categories, user forms, and dynamic blog-style course listings.
- Integrated Firebase for real-time database management, user authentication, and secure admin access.
- Implemented image uploads via Cloudinary and created automated email workflows for user interactions.
- Optimized website speed and mobile responsiveness, leading to faster load times and improved user engagement.
- Resulted in a 45% increase in user inquiries and significantly improved brand visibility online.

Kronos Protection

Headway Vision • <https://kronosprotection.com/> • May 2023 - June 2023

- Developed website using react and Tailwind Css.
- Volunteered to debug the errors in the code.
- Engineered a robust security framework for Kronos Protection by integrating advanced threat detection measures and optimizing system protocols to strengthen overall data integrity.

EDUCATION

BACHELOR OF TECHNOLOGY

IKGPTU Main Campus • Kapurthala • 2024 • 7.38

Intermediate

Shree Krishna Inter School Nayagaon • Khagaria Bihar • 2020

Matriculation

Shree Krishna Inter School • Khagaria Bihar • 2018

SKILLS
